DOOMS DAY EVENT

The dooms day event is mentioned or discussed in almost all of the world religions but description wise it is considered more detailed in the stories of the **Abrahamic religions** "Christians, Jews and Muslims), and when it comes to Islam it is detailed beyond the expectation of the human mind with a very logical sequence almost scientifically identical in comparison to recent scientific predictions

However even science of the future is made of series of futuristic predictions that at a certain time could prove to be either false or true but when it comes to Islam, nothing written in the Qur'an or mentioned in the authentic hadith proved to be wrong, rather its either true, or scientifically possible.

The scenario of the dooms day event in this book is based on Islamic legacy, it is not a scene from universal or Columbia picture movies where reality get mixed up with science fiction in order to produce a scenario which will attract audience. This is the true code of Islam that describes the dooms day event

The dooms day event in the Islamic concept is divided into three major events which is **END OF TIME**, **RESURRECTION**, and **JUDGMENT**.

Three events that will occur in sequence one after the other within a certain space of time that separates them.

The First deals with the destruction of earth and eradicating all kind of life on it, the second deals with resurrecting the dead and the third deals with judging the resurrected before punishing them then sending them to either hell or heaven

On that day there will be much justice, to the extant the forgiven will become unforgiving and the unforgiving will become forgiven

On that day Pray to the lord that on that you will be a True Muslim and that you will be forgiven

END OF TIME

As time passes on, earth quakes occurrences will drastically increase and become regular and consistent in frequency. The increase in intensity and frequency along with the effect and Damage caused by global warming will lead to an increased level of movement within the liquid belt of the center of the earth ("The Mantle")

With time all together such activity will cause a sudden earthquake which has a none-precedent degree of power to trigger causing catastrophic consequences which will make the earth to wobble on its axis rolling it back into a RETROGADE MOTION ("spinning it into the opposite direction") which will cause **the sun to rise from the west**

The Reverse action of the outer layer of the earth which will be re-directing the upper layers of the earth to rotate in an opposite movement to that of the core will result in bleeding similar to that of getting used for shaving a chin downward for a very lengthy period of time then suddenly switching to upward direction, the result is a bleeding surface.

At third point liquid lava will shootout from the joints of the tectonic plates sending up a stream of fire high in the sky?

Compiled By (*AHMAD KAJ*) – ahmad.kaj@hotmail.com

The retrograde motion will swing along with it the positioning of tectonic plates by swapping the placement of their edges existing position from one plate to another and the ratio of movement is somehow high!!! "None-precedent" which will affect the root of the mountains world wide, destroying the underplaying section of it which is located beneath the earth surface before crumbling it and sending into ashes

It has been revealed that the impact of the event on the humans living on earth by then will be extremely scary ("out of the logical proportion in the human terminology")

All breastfeeding women will drop their children's down to the ground. Pregnant women of the earth will naturally abort out of fear and everyone on earth will run for their lives.

AT THAT POINT EVERY ONE WILL ACCEPT ISLAM AS THE TRUE RELIGION OF GOD BUT BY THEN THE QUR'AN IS LIFTED UP AND GOD WILL NOT ACCEPT REPENTENCE FROM NO ONE ANY MORE

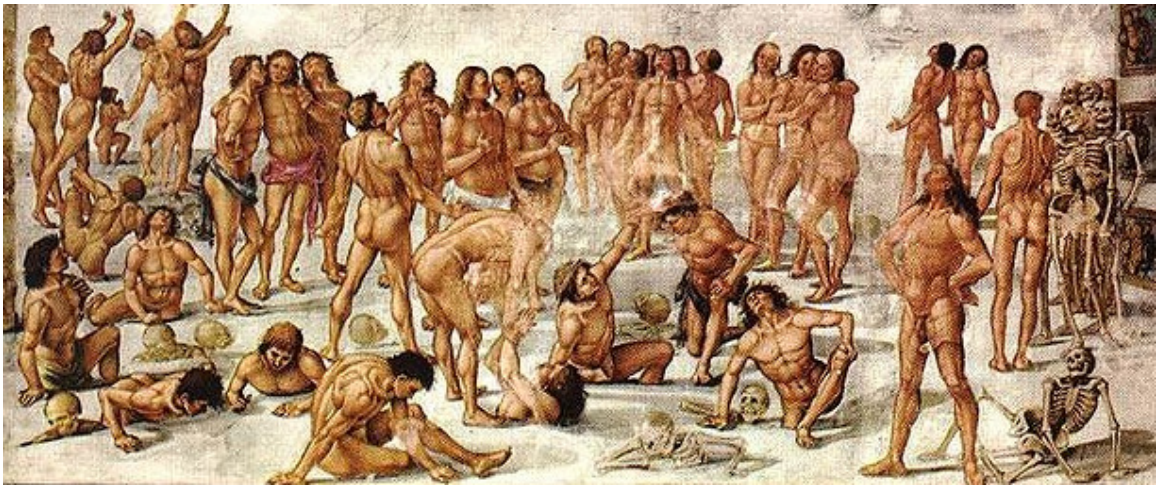

AT The end of time there will be no location on earth that will be spared from Allah's divine vengeance. Extreme torture will touch all the inhabitants of earth and finally when the earth will bring out all the gravity generating materials from within the surrounding layer of the core, the gravity of the earth will become zero making it to let go all the contents ("Willingly")

Then the liquid lava will spread across the planet earth wiping and covering the surface of it and leveling the surface into a flat molded surface that looks like the loaf of bread

AND THIS WAS
THE END OF LIFE ON EARTH

RESURRECTION

No one can be certain about the time difference between the distinction of all living creatures on earth ("End of Time") and the date of Resurrection ("Only Allah (SWT) does") but it is definitely certain that there will be no resurrection until the sun will be a big red giant that will engulf and swallow the moon.

If scientific prediction is right about the sun life span which mean the sun will live for another 4 to 7 billion years then believe me we are going to sleep over for a very long time awaiting this event to happen.

As the earth levels up and all form of life become distinct on it, the molded surface which is initially a molten liquid of fire will blend the entire surface contents (trees, blocks, molds, silver, copper, gold and nickel alloy… etc) into a single solution that eventually will be compacted over the period of time and turn into a color which is between white an silver similar to the cigarette ash color ("Maybe dominated by nickel alloy Surface").

SILVER COLOR LOOKING LIKE WILL BE THE EARTH'S SURFACE COLOR ON THE DAY OF RESSURECTION

Then
Allah (SWT)
Begins repeating the process of his first creation for each individual human lived on earth

BY THE NAME OF GOD MOST GRACIOUS MOST MERCIFUL

104. The Day that we roll up the heavens like a scroll rolled up for books (completed).- even as we produced the first creation, so shall we produce a new one (Repeating): a promise we have undertaken: truly shall we fulfill it.

It will take Allah (SWT) 40years of time or more to reconstruct the entire human bodies to the size of 30yards (ADAM initial creation height) based on their captured DNA genetic code with a modified calorie burning metabolism ("Possibly the new metabolism will rely on genetically modified sweat gland only".

The resuscitated will be lying down naked beneath a thin layer of sand after being re-constructed ("DNA reconstruction") awaiting unification with their soles but before then something should occur then with a **single scream (First one)** all living creatures in the universe will be stricken by the intensity of the sound then Allah (SWT) sends the soul rain with each soul heading directly towards the body that belongs to it.

Then comes a Second scream which will waken up the entire creatures of Allah (SWT)

All Mankind will be Resurrected, Stands up naked and shaking the sand of their bodies and by looking around them they will recognize the earth they lived on but its now different, no mountains, no rivers, no trees, no seas and everything is leveled up.

The Believers will thank Allah for being resurrected by him and say "O' Allah we did not worship you enough (sort of an apology for not doing more of worshiping during their life span on earth)"

On that day Abraham (May GOD bless his name) will talk to his father and tell him "**didn't I warned you that you will be resurrected!!!**"

On that day people of the earth will be resurrected in groups "knowing each others" so you might meet your relatives and your friends and your neighbors and those that you've helped and those that you've hurt

On that period of time the sun will draw close to the eye a distance of a mile, it will swallow the moon, engulfs it and their brightness will diminish and quench

JUDGMENT

The Judgment day is known as the day of the **BIGGEST FEAR** and it is certain that on the judgment day the entire Mankind will be categorized and judged as per the degree of their religion and obedience, good deeds and bad deeds and on that day **the only recognizable and accepted religion will be ISLAM**

The degree of the religion is determined or linked to recognizing Allah (SWT) as the only creator who will be the only judge on the Day of Judgment.

On the Day of Judgment the ISLAMIC RELIGION refers to all monotheistic religions emerged prior to Islam including Islam it self

Aal-Imran | 200 verses | The Family of Imran | Sura# 3 | Madina
BY THE NAME OF GOD MOST GRACIOUS MOST MERCIFUL

67. Abraham was not a Jew nor yet a Christian; but he was true in faith, and bowed his will to Allah's (Which is Islam), and he joined not Gods with Allah.

The judgment will not be instantaneous instead people will wait for a prolonged period of time as this will allow everyone to think backward of what he has done in his life on earth, sort of a serious and hard period of temptation accompanied with a none precedent fear and loud cry

This is the day where
There is no place to hide!!!

Hence it is impossible to sequence the occurrences of facts on the judgment day it I've decided to include scenes from the Judgment day event extracted from the authentic hadith.

I DO NOT ADVISE YOU TO TRY ANALYSING THE SEQUENCE OF OCCURRENCE FOR THE EVENTS. ITS ONLY ALLAH (SWT) WHO WILL BE ABLE TO DO THE SEQUENCING AND ITS ONLY ALLAH (SWT) WHO KNOWS WHICH EVENT WILL OCCUR FIRST AND WHICH EVENT WILL FOLLOW LATER

NARRATED IBN ABBAS: The Prophet said, "You will be gathered (on the Day of Judgment), barefooted, naked and not circumcised." He then recited: '**as we began the first creation, we, shall repeat it: A Promise we have undertaken: Truly we shall do it.**' ***("Hadith – Bukhari")***

NARRATED ANAS: The Prophet said, "On the Day of Resurrection the Believers will assemble and say, 'Let us ask somebody to intercede for us with our Lord.' So they will Go to Adam and say, 'You are the father of all the people, and Allah ("GOD") created you with His Own Hands, and ordered the angels to prostrate to you, and taught you the names of all things; so please intercede for us with your Lord, so that He may relieve us from this place of ours.' Adam will say, 'I am not fit for this (i.e. intercession for you).' Then Adam will remember his sin and feel ashamed thereof. He will say, Go to Noah, for he was the first Apostle, Allah sent to the inhabitants of the earth.' They will go to him and Noah will say, 'I am not fit for this undertaking.' He will remember his appeal to his Lord to do what he had no knowledge of, then he will feel ashamed thereof and will say, 'Go to the Khalil-ar-Rahman (i.e. Abraham).' They will go to him and he will say, 'I am not fit for this undertaking. Go to Moses, the slave to whom Allah spoke (directly) and gave him the Torah.' So they will go to him and he will say, 'I am not fit for this undertaking.' and he will mention (his) killing a person who was not a killer, and so he will feel ashamed thereof before his Lord, and he will say, 'Go to Jesus, Allah's Slave, His Apostle and Allah's Word and a Spirit coming from Him. Jesus will say, 'I am not fit for this undertaking, Go to Muhammad the Slave of Allah who's past and future sins were forgiven by Allah.' So they will come to me and I will proceed till I will ask my Lord's Permission and I will be given permission. When I see my Lord, I will fall down in Prostration and He will let me remain in that state as long as He wishes and then I will be addressed.' (Muhammad!) Raise your head. Ask, and your request will be granted; say, and your saying will be listened to; intercede, and your intercession will be accepted.' I will raise my head and praise Allah with a saying (i.e. invocation) He will teach me, and then I will intercede. He will fix a limit for me (to intercede for) whom I will admit into Paradise. Then I will come back again to Allah, and when I see my Lord, the same thing will happen to me. And then I will intercede and Allah will fix a limit for me to intercede whom I will let into Paradise, then I will come back for the third time; and then I will come back for the fourth time, and will say, 'None remains in Hell but those whom the Qur'an has imprisoned (in Hell) and who have been destined to an eternal stay in Hell.' ***("Hadith – Bukhari")***

**Narrated Abu Sa`id Al-Khudri:** The Prophet said, "On the day of Resurrection Allah will say, 'O Adam!' Adam will reply, 'Labbaik our Lord, and Sa`daik (i.e. at your Service)' then there will be a loud call (saying), Allah orders you to take from among your offspring a mission for the (Hell) Fire.' Adam will say, 'O Lord! Who are the mission for the (Hell) Fire?' Allah will say, 'Out of each thousand, take out 999.' At that time every pregnant female shall drop her load (have a miscarriage) and a child will have grey hair. And you shall see mankind as in a drunken state, yet not drunk, but severe will be the torment of Allah." (2 2.2) (When the Prophet mentioned this), the people were so distressed (and afraid) that their faces got changed (in Color) whereupon the Prophet said, "From Gog and Magog nine-hundred ninety-nine will be taken out and one from you. You Muslims (compared to the large number of other people) will be like a black hair on the side of a white ox, or a white hair on the side of a black ox, and I hope that you will be one-fourth of the people of Paradise." On that, we said, "Allahu-Akbar!" Then he said, "I hope that you will be) one-third of the people of Paradise." We again said, "Allahu-Akbar!" Then he said, "(I hope that you will be) one-half of the people of Paradise." So we said, Allahu Akbar."

Narrated Abu Huraira: The people said, "O Allah's Apostle! Shall we see our Lord on the Day of Resurrection?" He replied, "Do you have any doubt in seeing the full moon on a clear (not cloudy) night?" They replied, "No, O Allah's Apostle!" He said, "Do you have any doubt in seeing the sun when there are no clouds?" They replied in the negative. He said, "You will see Allah (your Lord) in the same way. On the Day of Resurrection, people will be gathered and He will order the people to follow what they used to worship. So some of them will follow the sun, some will follow the moon, and some will follow other deities; and only this nation (Muslims) will be left with its hypocrites. Allah will come to them and say, 'I am Your Lord.' They will say, 'We shall stay in this place Till our Lord comes to us and when our Lord will come, we will recognize Him. Then Allah will come to them again and say, 'I am your Lord.' They will say, 'You are our Lord.' Allah will call them, and As-Sirat (a bridge) will be laid across Hell and I (Muhammad) shall be the first amongst the Apostles to cross it with my followers. Nobody except the Apostles will then be able to speak and they will be saying then, 'O Allah! Save us. O Allah Save us.' There will be hooks like the thorns of Sa'dan [??] in Hell. Have you seen the thorns of Sa'dan [??]?" The people said, "Yes." He said, "These hooks will be like the thorns of Sa'dan [??] but nobody except Allah knows their greatness in size and these will entangle the people according to their deeds; some of them will fall and stay in Hell forever; others will receive punishment (torn into small pieces) and will get out of Hell, till when Allah intends mercy on whomever He likes amongst the people of Hell, He will order the angels to take out of Hell those who worshipped none but Him alone. The angels will take them out by recognizing them from the traces of prostrations, for Allah has forbidden

The (Hell) fire to eat away those traces. So they will come out of the Fire, it will eat away from the whole of the human body except the marks of the prostrations. At that time they will come out of the Fire as mere skeletons. The Water of Life will be poured on them and as a result they will grow like the seeds growing on the bank of flowing water. Then when Allah had finished from the Judgments amongst his creations, one man will be left between Hell and Paradise and he will be the last man from the people of Hell to enter paradise. He will be facing Hell, and will say, 'O Allah! Turn my face from the fire as its wind has dried me and its steam has burnt me.' Allah will ask him, "Will you ask for anything more in case this favor is granted to you?' He will say, "No by Your (Honor) Power!" And he will give to his Lord (Allah) what he will of the pledges and the covenants. Allah will then turn his face from the Fire. When he will face Paradise and will see its charm, he will remain quiet as long as Allah will. He then will say, 'O my Lord! Let me go to the gate of Paradise.' Allah will ask him, 'Didn't you give pledges and make covenants (to the effect) that you would not ask for anything more than what you requested at first?' He will say, 'O my Lord! Do not make me the most wretched, amongst your creatures.' Allah will say, 'If this request is granted, will you then ask for anything else?' He will say, 'No! By Your Power! I shall not ask for anything else.' Then he will give to his Lord what He will of the pledges and the covenants. Allah will then let him go to the gate of Paradise. On reaching then and seeing its life, charm, and pleasure, he will remain quiet as long as Allah wills and then will say, 'O my Lord! Let me enter Paradise.' Allah will say, May Allah be merciful unto you, O son of Adam! How treacherous you are! Haven't you made covenants and given pledges that you will not ask for anything more that what you have been given?' He will say, 'O my Lord! Do not make me the most wretched amongst your creatures.' So Allah will laugh and allow him to enter Paradise and will ask him to request as much as he likes. He will do so till all his desires have been fulfilled. Then Allah will say, 'Request more of such and such things.' Allah will remind him and when all his desires and wishes; have been fulfilled; Allah will say "All this is granted to you and a similar amount besides." Abu Sa`id Al−Khudri, said to Abu Huraira, 'Allah's Apostle said, "Allah said, 'That is for you and ten times more like it.' "Abu Huraira said, "I do not remember from Allah's Apostle except (his saying), 'All this is granted to you and a similar amount besides." Abu Sa`id said, "I heard him saying, 'That is for you and ten times more the like of it."

In according to Islam all nations not believing in **ALLAH** (Rejected the Authentic messages and the true messengers of **ALLAH**) will be sent to hell without judgment or at least without being given the right to speak and defend them self's ("They will not see Allah"). Those nations did not recognize Allah as their creator while they lived on earth, instead some worshiped The Cow, The Bison, The Sun, Buda, Krishna … etc, and on that day all those worshiped by them are standing in line along with them or behind them awaiting judgment so how for Allah's sake ("those not worshiping Allah") do expect him ("Allah") to recognize them on the judgment day while on that day he is the only king and the only judge?

As Nations of the unbelievers will be accumulating in hell one after another, each one dropped down will be cursing the one that follows it!

It has been narrated that a stone was dropped in hell and it kept going down for seventy thousand years!!! And even with that on the Day of Judgment the HELL will be ASKED by Allah if it is still having space to accommodate more people?

Qaf | 45 verses | Qaf | Sura# 50 | Makkah

BY THE NAME OF GOD MOST GRACIOUS MOST MERCIFUL

30. One day we will ask Hell, **"Art thou filled to he full?"** It will say, "Are there any more (to come)?"

Verse 30 of Sura#50 ("QAF") demonstrate how filled will be the hell on the judgment day otherwise a space with such depth should not be asked unless truly the contents are in billions or may be hundreds of billions or even trillions.

It has been revealed by the Qur'an that the fuel of Hell will be the flesh of the Mankind as ripe skins from the effect of fire will be constantly replaced with new one ("The Replacement has a dual purpose, 1- To keep blazing the hell fire to the max, 2 – to maintain the same level of punishment inflicted pain")

Behold and refrain from associating any one with Allah or worshiping Allah's creatures along with him while the only Creator is Allah and the only king is Allah and the only master on the Judgment day is Allah.

AND
ALLAH IS ONE

Once the judgment is completed and everyone is sent to were is destined to DEATH WILL BE BROUGHT IN AND KILLED BETWEEN HELL AND HEAVEN

Then someone will scream and say "O Paradise people no more death, O Hell people no more death … Eternity Eternity (i.e. those in hell will remain in hell for ever and those in paradise will remain in paradise for ever)", JUDGMENT IS COMPLETED, UNIVERSE COLLAPSES Then ALLAH Folds IT UP

AND

THIS IS HOW

THE STORY OF THE UNIVERSE WILL END
